If a club is found to have played a player under a false name, the team(s) which that player has represented will be automatically relegated. It is within the league's powers to also ban players from the team thus punished from subsequently playing for lower teams, in line with 13, c, i above.

Any team breaking either of these rules will face an extraordinary disciplinary procedure which could result in one or more of their teams being relegated automatically or possibly expulsion from the league.

A player moving to another Herts League club at any time shall be eligible to play for the new club only if all financial and other obligations to the former club have been discharged. The league has the power to suspend players from all matches in the League until the clubs involved agree that a player's obligations to his original club have been discharged.

Players changing clubs during the close season are outside of the jurisdiction of the league and it is always down to individual clubs to enforce their own policies around the payment of subscriptions and match fees.

- i On or before July 31st, in the event of a proven allegation against an unregistered player the team fielding the ineligible player will have 5 points deducted. Should the unregistered player be Under 18 on the day of the match, the penalty will automatically be 30 points.
- ii From the 1st of August onwards, any team that fields an ineligible player, will incur a 10 point deduction, excepting where the player is Under 18 on the day of the match, in which case the penalty will be 30 points.
- iii For the avoidance of doubt, a captain registered on the League website as captain who has not been DBS checked is deemed an ineligible player and the club will face the penalties in i) and ii) above.

No alteration shall be made to that list without the consent of the Fixtures Secretary acting on behalf of the Executive Committee. In the event of a club being unable to fulfil all fixtures on any day, the playing of the senior sides' match(es) shall take precedence.

If any match is postponed, which can only be with the consent of the Executive Committee, the match must be re-arranged to be played within 28 days of the original date, provided such date is before the final scheduled day of the season. If a date cannot be mutually agreed by the two clubs concerned, then the postponed match must be played on a date designated by the Executive Committee.

Any team which fails to fulfil three fixtures in its division, may be asked by the Executive Committee to withdraw forthwith from that division, and all matches involving that team shall be declared null and void, with no points awarded. Any such decision to remove a team shall be made before 31st July in any season.

Any team unable to fulfil a league fixture must advise its opponents by 8:00pm on the Thursday preceding the match and obtain formal acknowledgment of the cancellation from an officer of the opposing club. Non-payment of the penalty within 14 days shall attract a penalty on the same basis as set out for subscriptions under rule 10b, payable to the opposing club. Any club failing to meet its obligations under this rule will be fined additionally by the League at a rate not less than three times the outstanding debt.
